Celebrating together *The gift of partnership*

For 30 years, **Rogue Credit Union** has been a Children's Miracle Network Hospitals partner of Asante. Like Asante, the grassroots organization was established in Medford in the 1950's and has now become a household name.

This year, Rogue Credit Union and its members made the largest corporate gift in Asante's history - to benefit the new Olsrud Family Women's and Children's Hospital at ARMMC. Dedicated to "living, giving and supporting local", the Rogue Credit Union team is honored to partner with Asante in our work to change kids' health and change the future.

In honor of the official opening of the Olsrud Family Women's and Children's Hospital, Asante will celebrate this year's Miracle Jeans Day with Rogue Credit Union employees on Wednesday, April 24. In addition to celebrating on the same day, Asante employees who donate at either the \$15 or \$50 level will receive an exclusive Wally the Wolf Rogue Ranger stuffie.

Together, we can all make a difference for local children's health. Asante employees already contribute so much of their time and energy to caring for our most vulnerable patients, and Rogue Credit Union feels privileged to be a part of something so special by giving and doing what they can.
