

You will transform cancer care for our region

Your gift to Asante's Heimann Cancer Center will change thousands of lives, like this one:

Before: The journey of a real patient, a 60-year-old man, from cancer diagnosis through treatment:

25 doctor appointments

40 treatments for radiation and chemotherapy

54+ supportive therapies & scans

Across **14+** locations

3-4 locations in a single day

A more detailed look at this patient's treatment course:

- 16 medical oncologist visits
- 9 radiation oncologist visits
- 35 radiation treatments
- 4 chemotherapy infusions
- 40 hydration infusions
- 5 CT scans
- 6 lab draws
- 3 appointments for PICC line care
- G-tube education
- Chemotherapy education
- Dietician consult
- Several trips to the pharmacy

A sample day for this patient, who had transportation limitations and often had to travel by foot looked like this:

- 8:20am** Radiation at Asante Dubs
- 9:00am** Hematology Oncology lab draw at Doctor's Park location
- 10:00am** Doctor visit
- 11:00am** Hydration with IV fluids at Asante Infusion Services

Cancer is hard enough. Your support makes healing easier.

→ **Today:** Because of you, one place—Heimann Cancer Center—is home to the region's most advanced cancer care.
