

You will transform cancer care for our region

Your gift to Asante's Spears Cancer Center will change thousands of lives, like this one:

Before: The journey of a real patient from cancer diagnosis through treatment:

15 doctor appointments

37 treatments for radiation and chemotherapy

124+ supportive therapies & scans

Across **9+** locations

4 locations in a single day

A more detailed look at this patient's treatment course:

- 6 radiation oncologist visits
- 33 radiation treatments
- 4 chemotherapy infusions
- 2 hydration infusions
- 10 CT scans
- 64 lab draws
- 15 Dietitian consult visits
- 1 Nurse Navigator meeting

Cancer is hard enough. Your support makes healing easier.

→ **Today:** Because of you, one place—Spears Cancer Center—is Josephine County's home for outpatient cancer care.
